Subject: Homeowners Association

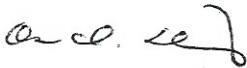

To our fellow Residents of Kingsland Ocala Waterway Owners Association:

Contrary to public opinion, we have been and remain open for business. Due to Covid-19 we have had to adjust our office hours but we remained open for business. We will soon start enforcing our Rules and Regulations with Letters of violations to the property owners.

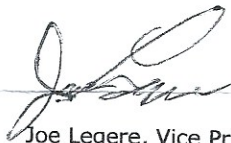

You may call us at 352-237-4435 or email us at KOWOA.com with any concerns that you may have.

For those of you who are interested, we are looking for new board members and/or volunteers to help in The office.

Respectfully,

Oscar Diaz, President

Joe Legere, Vice President

Onel Nunez, Director at Large
