

About State Road 200 Coalition

The State Road 200 Coalition meets the second Monday of every month at 1:00 pm at the Collins Center. All meetings are open to the public.

Jim Couillard, Director, Landscape Architect, Marion County Parks and Recreation Department, is the current President of the Coalition.

The meetings are held to apprise residents living around the SW portion of the SR 200 "corridor" of planned business activities in the area.
